

APCPS – 2010 Conference & AGM

Waskesiu, Saskatchewan -- September 13 to 15 -- Elk Ridge Resort

Planning Futures: Our Rapidly Changing World

Saskatchewan is currently poised for major growth and planners need to be ready to help plan Saskatchewan's future and prepare for the development that is to come. We desire to make a difference in the future landscape of Saskatchewan. This conference experience is being designed to help planners gain practical skills, learn about changing technologies, and how we can create the future of Saskatchewan.

Please plan to join us as at Elk Ridge on September 13-15, 2010 to learn more about:

- **Planning for Tomorrow**
- **Thinking Locally, exploring how to renew and sustain communities**
- **Public Involvement**
- **Emerging Technology**

Tentative schedule to be posted soon.

KEYNOTE SPEAKER

Larry Beasley

Larry Beasley is internationally acclaimed as one of the world's best urban planners.

His work was recognized among the "World's 100 Best Planning Practices" by the United Nations in 1996, while the Royal Architectural Institute of Canada presented him with its Medal of Excellence as Advocate for Architecture in 2003. He is a Fellow of the Canadian Institute of Planners and a regular advisor to cities around the world.

Beasley speaks about all aspects of city design and urban planning including managing urban development, the revitalization of cities, and efforts to evolve inner cities and suburbs. Well-versed in both the positive and negative trends that are shaping urban centres, he also offers his critique of contemporary cities and his commentary on American cities from a Canadian perspective.
